All maintain an “exemplary” carrier rating and most feature advanced satellite tracking capabilities. We also offer expedited team and emergency services as well as LTL consolidation services in several major U.S. markets.

Whether you're shipping one load to a single destination or multiple loads to many different locations, Alliance Shippers, Inc.'s industry-leading Highway Services Division can customize a package that will not only exceed your requirements but ensure a Perfect Shipment.® On time, every time.

Focused on customized solutions to meet your individual shipping needs.

Alliance Shippers' Highway Services Division offers a full complement of only the highest quality transportation services, including:

Advanced Tracking

Alliance Shippers, Inc.'s unique tracking program allows you to view all pending and in-transit shipments via the Web. One click of the mouse gives you quick and easy access to all your shipments without having to query the database one load at a time. We also offer a trailer pool application that not only lets you view all your trailer pools but also sorts and downloads all pool inventories directly to your desktop PC.

Unsurpassed Customer Service

Alliance Shippers, Inc. prides itself on offering prompt, high-quality customer service that's centered on dedicated resources for each and every customer. It begins at the sales level and links business, operations and quality assurance support in a team effort featuring enhanced internal and external communications between the customer, team members and our service providers.

Temperature Control

Whatever you're shipping, Alliance Shippers, Inc. has the right equipment to ensure product integrity from pickup through delivery. In addition to a refrigerated fleet of trailers and domestic containers for transporting perishable products, we also offer a unique service exclusive to Alliance Shippers, Inc. It's Temp Control 'R®—a revolutionary Thermal Protective Cover (TPC) that protects temperature-sensitive shipments from cold and heat regardless of outside conditions using conventional van equipment.

Transportation Management

Selective Distribution LLC is an Alliance Shippers, Inc. subsidiary specializing in cutting-edge transportation management. Backed by a nationwide network of transportation and distribution providers as well as a state-of-the-art data collection and management system, Selective Distribution offers a full range of services including pool distribution, consolidation, warehousing, cross-docking, expedited transportation, equipment/driver leasing, LTL services and consulting.

Your shipping solution throughout the U.S., Canada and Mexico.

From advanced tracking to temperature control equipment, you can rely on Alliance Shippers, Inc. All our integrated services come with unsurpassed customer service. As a vital link in your supply chain, Alliance Shippers, Inc. will help you strategically navigate your shipment.

The Perfect Shipment®

It's your shipment—picked up on time, delivered on time, delivered without exception and billed accurately, each and every time and with 100% customer satisfaction.

Toward that end, Alliance Shippers, Inc. routinely measures all shipment activity and provides customers with access to information that is not only relevant to their specific shipment but benchmarks events unique to the shipper.
